

Jefferson Park Forward Beautifies Neighborhood by Planting the Post Office

FOR RELEASE: June 16, 2016

Media Contact: Marie MacDonald or HM Osterhout, livability@jeffersonparkforward.org

Chicago, IL – New neighborhood association Jefferson Park Forward organized its continuing effort to help enhance living in Jefferson Park. Organized as pure volunteer and donation effort, members beautified the post office on two separate weekends. The first weekend June 5th when the soil was enhanced and conditioning the planting beds took place, then on June 12th, the beds were planted from generous donations that neighbors brought. Jefferson Park Forward wanted to give special thanks to the Post Office as ahead of the event they agreed to water the plants. This will ensure their care. The ir goal is to make people smile and help make Jefferson Park more attractive for all.

About Jefferson Park Forward:

Jefferson Park Forward is a new neighborhood association in Jefferson Park whose mission is to support and revitalize the community. Through a commitment to neighborhood events, highlighting local businesses and attractions, along with fundraising in support of local charities, Jefferson Park Forward seeks to be a voice for positive change throughout the community.
